### **AGRA CELEBRATES ANOTHER INVESTMENT**

On 26 May 2011, Agra will unveil the plaque of yet another investment when the regional governor of the south, Mr. Bernardus Swartbooi officially opens the renovated and enlarged Keetmanshoop branch.

The Keetmanshoop branch, Agra's second largest branch, is the third branch in the past three years, besides Otjiwarongo and Mariental, that is being enlarged to better serve Agra's clients. Renovations and changes to enlarge Agra Windhoek branch as well as Agra's Auas Vet Med store have also been done in the past three years as well as improvements at Agra's branches in Gobabis, Tsumeb, Aranos and Grootfontein.

"The improvements of the Keetmanshoop branch were not only done to improve our clients' shopping experience – it was also done because we want to give back to our clients who have come a long way with us. We were able and willing to do this because we believe in the economy of the region and the town," said General Manager: Retail and Wholesale, Arnold Klein about this investment. About Agra's recent investments of several million Namibian dollars, he added: "Namibia offers us stability to invest with confidence – that is why it is important for Agra as a Namibian business to invest our money in infrastructure that remains our own."

Agra's clients will be rewarded for their loyal support and patience during the renovation period by means of many specials and prizes to the value of N\$50 000 that can be won during the launch period.
