11. CONCLUSION

It was Agra's 25th birthday on 1 July 2005. Fortunately we can report a positive financial result for the year under review and a general improvement in most other spheres of our business.

This year also marks the end of our current chairman's term of office. Mr Chapman has been an inspiration and a pillar of strength and support whenever we needed him. Our thanks go to him for his excellent leadership, his business acumen and for keeping a cool head during the typical Agra upswings and downturns which occurred during his 12 years of being Agra's Chairman of the board.

The year ahead will bring with it new challenges:

- the FAN Meat traceability system will be introduced,
- the Green Scheme will be launched in the Kavango, and
- Agra's competition will become even more aggressive.

No organization can be successful without its employees. Once again we have been able to rely on our committed workforce to support the strategies and objectives set. A big thank you to all of you and the hope that we can count on you again in the year ahead.

To the Board of Directors, thank you for the support and guidance during the last 12 months.

To our clients and members: Thank you for making it possible for Agra to achieve a satisfactory result. We will continue to strive to improve our service levels and the availability of products at a competitive price.

11. SLOT

Dit was Agra se 25ste verjaarsdag op 1 Julie 2005. Gelukkig kan ons rapporteer op 'n positiewe resultaat vir die jaar onder oorsig en 'n algehele verbetering in die meeste aspekte van ons besigheid.

Hierdie jaar is ook die einde van die termyn vir die huidige voorsitter. Mnr Chapman was 'n inspirasie en 'n pilaar van krag en ondersteuning wanneer ons hom ookal nodig gehad het. Ons bedank hom vir sy uitstekende leierskap, sy besigheids insig en vir sy kalmte gedurende tipiese opwaartse of afwaartse tendense van Agra gedurende die 12 jaar as voorsitter van Agra se direksie.

Die komende jaar sal nuwe uitdagings bring:

- die FAN Meat opsporingsstelsel word bekend gestel,
- die "Green Scheme" begin in die Kavango, en
- kompetisie vir Agra sal selfs meer aggressief raak.

Geen organisasie kan suksesvol wees sonder sy werknemers nie. Ons kon weereens vertrou op die betrokkenheid van ons personeel in die ondersteuning van ons strategië en doelwitte. 'n Groot dankie aan julle almal en hopelik sal ons weer op julle kan staatmaak in die jaar wat voorlê.
